SAVE YOUR LOCAL BUS SERVICE: ROUTE 632 UNDER THREAT

Your local bus, the 632 service, is under threat. Bath & North East Somerset Council (BANES) are planning to withdraw its funding for the route.

The 632 is a vital service that takes local residents into Bath and Bristol. It also runs to Aspects Leisure Centre, through Longwell Green and Hanham and into Bristol.

Funding of the service is shared between BANES & South Gloucestershire Council. But without BANES' funding, the route is in danger. Now local campaigner and prospective Conservative MP Chris Skidmore has launched a campaign to save the bus route.
